

# Creedence Clearwater Revival - Need Someone To Hold

Tom: G  
Intro: G

<sup>C</sup>  
The sun came up and <sup>Bm</sup> pushed away the <sup>G</sup> clouds.  
<sup>C</sup>  
Stumbled back to my room, <sup>Bm</sup> really don't know <sup>G</sup> how.  
<sup>C</sup>  
I won't wake up 'til this <sup>G</sup> afternoon,  
<sup>C</sup>  
Been out walkin' all night <sup>G</sup> again.  
<sup>C</sup>  
Stranger here try'n' to have <sup>G</sup> fun.  
<sup>C</sup>  
Far from home; it's <sup>G</sup> just begun.

<sup>C</sup>  
Give out the warm, it comes <sup>G</sup> back cold.  
<sup>C</sup>  
Oh, God, I need someone <sup>G</sup> to hold.

<sup>C</sup>  
The coffee's cold, it's <sup>Bm</sup> gonna have <sup>G</sup> to do.  
<sup>C</sup>  
My feet are shot, <sup>Bm</sup> feelin' hungry <sup>G</sup> too.  
<sup>C</sup>  
People don't have a <sup>G</sup> thing to say.  
<sup>C</sup>  
Feel your dignity slip <sup>G</sup> away.  
<sup>C</sup>  
Won't wake up 'til this <sup>G</sup> afternoon.  
<sup>C</sup>  
Waste of time 'cause there's <sup>G</sup> nothing new.

<sup>C</sup>  
Give out the warm, it comes <sup>G</sup> back cold.

<sup>C</sup>  
Oh, God, I need someone <sup>G</sup> to hold.

<sup>C</sup>  
Give out the warm, it comes <sup>G</sup> back cold.  
<sup>C</sup>  
Oh, God, I need someone <sup>G</sup> to hold.

<sup>C</sup>  
A city nice as this <sup>Bm</sup> one should be <sup>G</sup> kind.  
<sup>C</sup>  
It pushed me down, <sup>Bm</sup> really don't know <sup>G</sup> why.  
<sup>C</sup>  
When I wake up this <sup>G</sup> afternoon,  
<sup>C</sup>  
Another day to make it <sup>G</sup> through,  
<sup>C</sup>  
Might get lucky and find <sup>G</sup> a dime,  
<sup>C</sup>  
Things don't change, gonna <sup>G</sup> give up tryin'.

<sup>C</sup>  
Give out the warm, it comes <sup>G</sup> back cold.  
<sup>C</sup>  
Oh, God, I need someone <sup>G</sup> to hold.

<sup>C</sup>  
Give out the warm, it comes <sup>G</sup> back cold.  
<sup>C</sup>  
Oh, God, I need someone <sup>G</sup> to hold.

<sup>C</sup>  
Give out the warm, it comes <sup>G</sup> back cold.  
(REPETE 5x)
