

Creedence Clearwater Revival - Penthouse Pauper

Tom: **C** 3

Hey, this is like my fifth ever so cut me a little bit of
 slack. This is a jammin' song 4 (the bend should be between 14 and 15)
 there were no tabs for it so i took the liberty of tabbing it
 myself. It's probably 5
 85% correct. Not perfect but the basis of the song.

Here is the intro. 6

D **G** **D**
 Now if i were a brick layer, i wouldn't build just anything 7 (little fill)

G **D**
 If i were a ball player, i wouldn't play no second string Small Solo (when there is more than one b, bend it that many times)

Bb **C** **D**
 If i were some jewelery baby, lord I'd have to be a diamond ring

D **G** **D**
 If i were a secret, lord i never would be told

G **D**
 If i were a jug of wine, lord my flavor would be opld

Bb **C** **D** 8

I could be almost anything, but it got to be twenty-four
 carrot solid gold. 9

(Continue that pattern for the song)
 I am going to put the guitar fill according to the number. For
 example, the first riff 10 v=vibrato
 the section numbered 1, would be for the first line. 2 for the
 second, and so forth.

Intro: SOLO

1 I didn't get the rest cause it is 3:56 in the morning, its all a **D** minor pentatonic

2 It's not to tough. Have fun
