

# Cristina Buarque - Sambei 24 Horas

tom:

C

C F7 C A7

Sambei 24 horas, sambei

Sambei tanto que a sandália furou

Ele me viu de madrugada pulando na calçada

Quando cheguei não quis abrir a porta do chatô

Dm G7 C

Ai, ai, ai amor

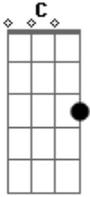

Não deixa sua pretinha no sereno

Que ela vai se resfriar

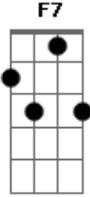

Ai pretinho, eu venho de Madureira

Tô cansada quero descansar
