

# Cristina de Holanda - Quantas Lágrimas

tom: E

Ah! Quantas lágrimas eu tenho derramado

Só em saber que não posso mais

Reviver o meu passado

Eu vivia cheio de esperança

E de alegria, eu cantava, eu sorria

Mas hoje em dia eu não tenho mais

Alegria dos tempos atrás

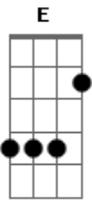

A melancolia que os meus olhos trazem

Ah! Quanta saudade que a lembrança traz

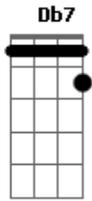

Se houvesse retrocesso na idade

Eu não teria saudade da minha mocidade
