I don't need money

I don't need sleep

I just wish my man'd go home

'Cause everything's funny

When it's just you and me

Tired of people asking what I do when I'm alone

They spend the summer getting clean

But September comes and they fall like leaves

Oh, what would I do without you?

What would I do without you?

Oh, Mr. Watson, I've been cheatin' with you

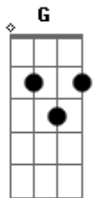

You're the only one to fix the stupid shit I've been through

Mr. Watson, I've been cheatin' with you

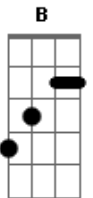

You're the only one who knows my favourite colour

And it's powder blue
