

Crumb - Ghostride

Tom: D
Intro: D D Gb D

D
Daydreaming, I stay in the backseat
The slow beat rocks me back to sleep, keeps me on automatic
D Gbm A D
Press my face up close against the glass
D Gbm A D
I see the people, When they pass they move so automatic
D
You wake up when I go down
The radio reminds me I'm alive Gbm
A D
We've been hearing it all night
G A
Come on now, don't let this go
G Gbm
Don't let my love fade away

G A Em
People come and people go but i
D
Lazy day, I'm so hungry
You melt me like a candle in a flame Gbm
A D
But something is pulling you away
D
We've been stuck out here so long Gbm
My phone rings and reminds me I'm alive
A D
And I'm feeling kinda high
G A
Come on now, don't let this go
G Gbm
Don't let my love fade away
G A Em
People come and people go but i stay
