Everyday i wonder where i am gonna go

Every night i dream if heaven is a lie  
And wonder where the truth will be before i die

Am i stil alive?

It's hard to say

There's no emotion

Without liberty

Ti-ime, time to live again

It's always easy to believe but hard to find

But we got time  
**Bm**  
Time to pay  
**G**  
With our emotions

For our liberty
