

# Crystal Fighters - Follow

Tom: **C**

Intro: Section picked  
Follow, Follow x2

You're the one I follow, follow into the middle.  
Middle of the shadows, far away from all the sorrows.

You're the one I follow, follow all the way oh. |start strumming|  
Way into the darkness where the sun is shining yellow.

You're the one I follow, follow into the middle.  
Middle of the shadows, far away from all the sorrows.

You're the one I follow, follow all the way-ho.  
Way into the darkness where the sun is shining yellow.

**Dm** **Am**  
Hollowing out a hole in the water.  
**E** **Am**  
Hiding in the middle, away from all the sorrow.  
**Dm** **Am**  
Swallowing it out that hole for the freedom ah.  
**E** **Am**  
Feel inside the darkness, when the sky is burning yellow.  
**E** **Am**  
If anyone can offer me some honesty ah,

**G** **Am**  
honesty, honesty, honesty, honesty.  
**E** **Am**  
Oh any disaster needs a remedy ah,

**G** **Am**  
remedy, remedy, remedy, remedy.  
**E** **Am**  
I go to you, you come to me ah.

**G** **Am**  
Come to me, come to me, come to me, come to me.  
**E** **Am**  
And that's just the way it's gonna have to be ah,

**G** **Am**  
following, following, following, following.

Chorus x2

**E** **Am**  
Follow my love, taking everything.  
**G** **Am**  
'til your love takes everyone, and everyone the same.  
**E** **Am**  
And the peace has come, peace has come to let us sing  
**G** **Am**  
And we're all as one, all are one with everything.

Verse  
section picked

Definite, definitely, in you I've lost my soul. |start strumming|  
Following nothing endlessly, again. |let ring|

**Dm** **Am**  
Follow my love  
**E** **Am**  
Your souls a sea ah.  
**Dm** **Am**  
Your souls a sea ah.  
**E** **Am**  
but i'm still so sad eh.

**E** **Am**  
the heart in me. (the heart in me)  
**G** **Am**  
the heart in me. (your soul is a sea)  
**E** **Am**  
the heart in me.  
**G** **Am**  
but i'm still so sad.

Chorus x3

**E** **Am**  
Follow my love, taking everything.  
**G** **Am**  
'til your love takes everyone, and everyone the same.  
**E** **Am**  
And the peace has come, peace has come to let us sing  
**G** **Am**  
And we're all as one, all are one with everything.
