Babe, I'll be, you stay at home

Bbm7  
I'll be your favorite, I ain't able just to let you go

Ebm7  
You know how much I really love you, I'm on megaphones

Gbm  
You don't know how much I've been begging

Got to let you know, got to let you know

C#7M  
And no lies could make you go

Bbm7  
You would be my number one

Ebm7  
We both breaded up, it's true

Gbm  
But we choose each other

Fm  
Even if we had no funds

Bb7  
I don't claim to know it all, but

Ebm7  
I'm begging, got to let you know

Gbm  
I'm thanking: God, I even know ya

( C#7M Db7 )

C#7M Bbm7  
I see you coming up the driveway (coming up the driveway)

Ebm7 Gbm  
You know, I wanna see you, baby

You call me ten minutes on the highway

Coming my way (to you)

C#7M Bbm7  
I see you coming up the driveway (coming up the driveway)

You know I wanna see you, baby

Ebm7  
Glad I found a way to pass the time

Gbm  
'Cause you stay on my mind

C#7M  
I've been rolling around

Bbm7  
Passing places we like

Ebm7  
I can't wait 'til you're home

Gbm  
And I won't start a fight

C#7M  
And no lies could make you go
