

Cuco - Drown (feat. Clairo)

Tom: **C**

Intro: **F7M Em7 Am7 F7M Em7 Am7**

F7M

If I told you what I'm thinking 'bout
It's hard to say to you but
I just know that I need some time alone
It's all I think about at night

F7M

I need some time away from you
Can't even be in the same room
I think I'm going crazy
Been home and lonely lately
What do you think about me

Can you fight or will you flee
Call me, you got my number
Don't let me go yet lover

F7M

You're gone, I'm done, I'm all alone
You know, that I know

That you're not coming home

These days, I'm lost, you left me to drown, to drown

F7M

Perdido en mi mente y buscando paraíso
But I can not find that si no estás aquí conmigo
Don't know what you're doing and I don't know who you with
En ruinas reina, sin tu yo que me quedé
Con mis esperanzas falsas, casi siento que me matan

Regresa conmigo

Amor where did we go

F7M

I need some time away from you
Can't even be in the same room
I think I'm going crazy

Been home and lonely lately
What do you think about me

Can you fight or will you flee
Call me, you got my number
Don't let me go yet lover

F7M

You're gone, I'm done, I'm all alone
You know, that I know

That you're not coming home

These days, I'm lost, you left me to drown, to drown

Cm7

Stuck inside my mind I think I've lost it all
Free me from my thoughts, I think I've fallen off
Memories don't return, they seem to melt away
Dreaming of a world where I would wanna stay

F7M

You're gone, I'm done, I'm all alone
You know, that I know

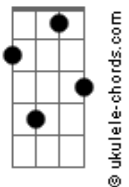

That you're not coming home

These days, I'm lost, you left me to drown, to drown
