

Cuco - Melting

Tom: **Ab**

Ab
 You are my church, you are my place of worship
Cm
 I heard you're the plug, can I be the circuit?
Db
 When I got court, I hope that you're the verdict
Eb
 When you're around, my insides turn inverted
Ab
 My blood start to rush when I see you, darling
Cm
 I know you're nearby and I know your purpose
Db
 Take one look at you, you're heavens incarnate
Eb
 What is this spell baby, please show some mercy
Ab **Cm**
 Melting like an ice cream
Db **Eb**

When you smile
Ab **Cm**
 Melting, you're a daydream
Db **Eb**
 Stay a while
Ab
 I pray that I can learn to be funny
Cm
 I am watching every stand-up comedy
Db
 Just hoping that it will rub off on me
Eb
 So you will smile at everything I say
Ab
 You got some soft lips and some pearly whites
Cm
 I wanna touch them with the dead of night
Db
 Your smile ignites just like a candlelight
Eb
 Then somehow I know everything's alright
