

Cuco - Summertime Hightimes (feat. J-kwe\$t)

Tom: **G**

B
Summertime is the time I like to get high with you

B
It's true

B
Vibe with me, trip with me

Db4
Let me spend my days with you

B
Going up a hill and were on a pretty pill

Db4
I'm just around the corner where the clouds meet up

The mills

B
Happiness is back ain't no one to me but you

Db4
And no lies have come along, everything I say is true

B
If I'm on cloud 9, maybe 30, even 2

Db4
Ain't no one bringing me down 'cause my highest is with you

B
So grab my hand and now let's go fly away from town

Db4
Let's get to outerspace, baby, I'm telling you now that

B **Db4**
Summertime is the time I like to get high with you

B
It's true

B
Vibe with me, trip with me

Db4
Let me spend my days with you

B

Baby, come and share ya lovely vibes

Db4
Baby, come and share ya lovely vibes

B
Baby, come and share ya lovely vibes

Db4
I'll promise that I'll make you mine tonight

B

We could get drunk in the in the back of the trunk

Db4
You a perfect 10, no gas, no pump

Sippin on rum, baby, we young

'Cause I wanna get a taste, don't run

Db4

Gotta so many things I never told ya

B **Db4**
