I met the girl of my dreams
so many times it seems

G7 **C7**

and she'll be the girl of my dreams

until shes mine, ya see

F

but then I will get bored of her

Bb7

pissed off and annoyed of her

G7

thrown away with afterplay

C7

which with no words to see to her
cause things can only get so so good
before they're bad again
and just like everybody else

I want those things I can't have
with the picking and the choosing
in the end, it's me whose losing
no girl by my side, the story of my life it seems

well things can only get so good before it's bound
to take a turn for the worst, its understood
you cant always be, swinging them hits
and look around at the women, who're begging for attention
but it ain't no intention of yours
to have things fall in right into their places
another stolen glance across a sea of distant faces
the taller they say that you standing
can bring you only closer to the flame
it's bound to burn you again and again

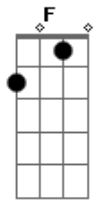

So you've seen the good and the bad
you've seen the happy and sad
you've seen the ups and the downs
you've seen the smiles and the frowns
Cause with every day, the worlds losing space
but then well, somebody dies, oh and that space gets replaced
Bye-bye to 'baby boomers' and 'tornado typhooners'
come along and spray everybody away again
and is it true what they say 'what goes up must come down'?
young people grow tall, and grow old and grow small

F7, Eb7, **D7** Bb7, **C7**
