Verse (intro riff) :

All at once, there was no,  
 Pennies to count?  
 Pretty soon, I'll be too,  
 Desperate to sleep?

I was inside of the car

I was afraid of the road  
 I was inside of the car

I was the meat on the road

Well I see buttercups,  
 And so it should read?  
 Yes I see buttercups,  
 And so it should read?  
 I was inside of the car  
 I was afraid of the road  
 I was inside of the car

I was just meat on the road
