

Cyndi Lauper - I Drove All Night

Tom: **A**

Eb E D A E

I had to escape
The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead, uh, huh

Could taste your sweet kisses
Your arms open wide
This fever for you is just burning me up inside

Refrão:

I drove all ni-ght to get to you
Is that alright
I drove all ni-ght
Crept in your room

Afinação: **Eb Ab Db Gb Bb**

Woke you from your sleep

To make love to you
Is that alright

I drove all night

What in this world
Keep us from tearing apart
No matter where I go I hear
The beating of your heart
I think about you
When the night is cold and dark

No one can move me
The way that you do
Nothing erases the feeling between me and you

Refrão

Could taste your sweet kisses
Your arms open wide
This fever for you is just burning me up inside

Refrão
