

# Cyndi Lauper - Who let in the rain

Tom: Gb

Bb Bb Bb2

Bb Eb Eb7  
Things like this can always take a little time  
Cm F Bb Bb Bb2  
I always thought, we'd be together down the line  
Bb Eb Eb7  
We start to fight and can't get over what was said  
Cm F Bb Bb2  
'cause you see black and white and I see red

Bb Eb  
And I wonder who let in the rain  
Gm F  
You know without you, I'm not the same  
Dm Eb  
When love get strong people get weak  
Dm Eb

Sometimes they lose control, and wind up in too deep  
Eb  
They fall like rain  
Bb Bb Bb2  
Who let in the rain.

I make the bed and cover where you used to sleep  
I'm smoothing over promises made in these sheets  
I envy lovers passing by out on the street  
'cause what they have I couldn't keep

And I wonder who let in the rain  
You know without you, I'm not the same  
When love gets strong people gets weak  
Sometimes they lose control, and wind up in too deep  
They fall like rain  
Who let in the rain....
