

Cynthia Erivo - Defying Gravity (feat. Ariana Grande)

tom:
D (forma dos acordes no tom de Db)
Capo: traste na 1ª casa
Intro: Elphaba

Why couldn't you have stayed calm for once

Instead of flying off the handle?

I hope you're happy

I hope you're happy now

I hope you're happy how you've hurt your cause forever

I hope you think you're clever

I hope you're happy

I hope you're happy too

I hope you're proud how you would

Grovel in submission to feed your own ambition

So though I can't imagine how

I hope you're happy right now

Elphie, listen to me

Just say you're sorry

You can still be with the Wizard

What you've worked and waited for

You can have all you ever want?

I know

But I don't want it

No, I can't want it a--nymore

[Primeira Parte]

Something has changed within m?

Something is not the same

I'm through with playing by

The rules of someone else's game

Too late for second-guessing

Too late to go back to sleep

It's time to trust my instincts

Close my eyes, and leap

[Refrão]

It's time to try defying gravity

I think I'll try defying gravity

And you can't pull me down

[Segunda Parte]

Can't I make you understand

You're having delusions of grandeur?

I'm through accepting limits

'Cause someone says they're so

Some things I cannot change

But 'til I try, I'll never know

Too long I've been afraid of

Losing love, I guess I've lost

Well, if that's love

It comes at much too high a cost

[Refrão]

I'd sooner buy defying gravity

Kiss me goodbye, I'm defying gravity

And you can't pull me down

[Ponte]

Come with me

Think of what we could do together

Unlimited

Together, we're unli-mited

Together we'll be the greatest team there's ever been, Glinda

Dreams the way we planned 'em

If we work in tandem

There's no fight we cannot win

[Refrão]

Just you and I defying gravity

With you and I defying gravity

They'll never bring us down

[Terceira Parte]

Are you coming?

I hope you're happy

Now that you're choosing this

You, too

I hope it brings you bliss

I really hope you get it

And you don't live to regret it

I hope you're happy in the end

I hope you're happy, my friend

No, leave her alone!

She hasn't done anything wrong

I'm the one you want

I'm the one you want

It's me

It's me
