

Cynthia Silveira - Redefine Love

tom:
Capostrate na 4ª casa

E **Cadd9** **E**
I wish I had the right answers to my feelings
E **Cadd9** **E**
The key to stop my heart from trembling
E **Cadd9** **E**
Every time I see you, every time you're near me
E **Cadd9** **E** **Cadd9**
I wish I could erase all the words you've said to me
E **Cadd9** **E**
And find your way in other hands
Cadd9 **E** **Cadd9**
Your unique smartness, your refined wisdom
D **D**
But baby you're still alive inside me
D **D**
And I'm trying to kill the memories

G **D**
So I'm gonna ask the wind to blow away
Em7 **Cadd9**
The good things about you
G **D**
And ask the rain to engrave on my heart
Em7 **Cadd9** **A**
The bad things you brought me, all the harm you did
Cadd9 **G** **Cadd9**
So maybe I can just redefine love
G **Cadd9**
Redefine love

E **Cadd9** **E** **Cadd9**
I wish I could just find my way back to you, back to you
E **Cadd9** **E**
And order your love for dinner
Cadd9 **E** **Cadd9**
Just for tonight, just for my life
E **Cadd9** **E** **Cadd9**
I wish I could replace your seat in my dining room

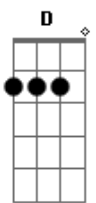

E **Cadd9** **E**
And sweep away all the talk we had
Cadd9 **E** **Cadd9**
At the "table of us", on a forgotten day
D **D**
But baby it's so hard to set my mind
D **D**
To let you go without hurting

G **D**
So I'm gonna ask the wind to blow away
Em7 **Cadd9**
The good things about you
G **D**
And ask the rain to engrave on my heart
Em7 **Cadd9** **A**
The bad things you brought me, all the harm you did

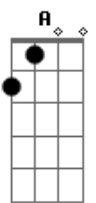

Cadd9 **Bm** **A**
But here I am staring at this sea
Cadd9 **Bm** **A**
Crying and praying for the waves just to drown you away
Cadd9 **Bm** **D** **Bm**
Cause I'm tired I'm so tired of drowning in your silence
D **Bm** **C2** **Bm**
Drowning in your silence, drowning in your silence
Cadd9 **Cadd9**
I'm gonna ask the wind

G **D**
So I'm gonna ask the wind to blow away
Em7 **Cadd9**
The good things about you
G **D**
And ask the rain to pour on my heart
Em7 **Cadd9** **A**
The bad things you brought me, all the harm you did
Cadd9 **G** **Cadd9** **G**
So maybe I can just redefine love, redefine love
Cadd9 **G** **Cadd9** **G**
Huhhhh Uhhhhh Huhhhh Uhhhhh
Cadd9 **G** **Cadd9** **G**
Redefine love, redefine us
