

# d4vd - Always Love (feat. Hyunjin)

tom:  
A (forma dos acordes no tom de Ab)  
Capostrate na 1ª casa  
Intro: C G Em Am Cm

[Primeira Parte]

Suddenly I've become  
Just a memory of someone  
Hear the melodies from my voice  
They'll call you back to me  
But it's your choice, oh

[Pré-Refrão]

You don't have to make me cry  
You don't have to say goodbye  
I know we were meant to be

[Refrão]

Do ya, do ya feel what I feel?  
Do you love like I love?  
Would you hold my hand?  
Would you let me go?  
Would you stand by my side?  
Are you down for the ride?  
I don't need nobody else but you  
But you

[Segunda Parte]

All my life I tried to find  
Someone that won't make me lose my mind  
So, tell me if it's now or never

'Cause with you, I see forever  
I think you could make me better  
Better

[Pré-Refrão]

You don't have to make me cry  
You don't have to say goodbye  
I know we were meant to be

[Refrão]

Do ya, do ya feel what I feel?  
Do you love like I love?  
Would you hold my hand?  
Would you let me go?  
Would you stand by my side?  
Are you down for the ride?  
I don't need nobody else but you  
But you

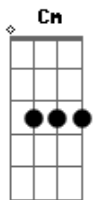

[Interlude]

G Em Am D7

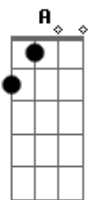

[Refrão]

Do ya, do ya feel what I feel?  
Do you love like I love?  
Would you hold my hand?  
Would you let me go?  
Would you stand by my side?  
Are you down for the ride?  
I don't need nobody else but you  
But you
