Darling, I would love to ease your mind

But you only open up when you get high

If I had the money, I would buy us time

Just to get by

Just to stay high

Bb7M
 Oh, Celeste

Dm7
 The girl with my name tattooed on her chest
F **Bb7M**
 Smell her on my clothes like cigarettes

Dm7
 I hear her voice each time I take a breath
C7
 I'm obsessed
Bb7M
 Oh, Celeste

Dm7
 Afraid you'll only love me when undressed
F **Bb7M**

But you look so damn gorgeous in that dress
Dm7
 Missing you so much makes me depressed
C7

But I digress, because

Bb7M **Dm7**
 I love you so, so much (baby?)
F **F7M**
 I love you so, so much

(I love you)
