Darling, I would love to ease your mind
 But you only open up when you get high
 If I had the money, I would buy us time
 Just to get by
 Just to stay high

Bb
 Oh, Celeste

The girl with my name tattooed on her chest
 Smell her on my clothes like cigarettes

I hear her voice each time I take a breath
 I'm obsessed
 Oh, Celeste

Afraid you'll only love me when undressed
 But you look so damn gorgeous in that dress

Missing you so much makes me depressed
 But I digress, because

Bb **Dm**
 I love you so, so much (baby?)
F **F**
 I love you so, so much

(I love you)
