

d4vd - Sleep Well

tom:

A

Do you think about me every night
Before you Go to sleep
I know you must be terrified
Of what you might see in your dreams... but

A Db Gbm7
I'm here for you still
And even if you don't think that I'm near
I'll still be right next to you my dear

A Db Gbm7
And the way you make me feel
Has the power to make the whole world stand still
Who's to say that our love ain't real

A Db
And I know I'm not the perfect guy

But I think I'm doing just alright
It doesn't matter what you thought of me then
But what you think of me now

A Db
We haven't always seen eye to eye
But right now wont you look in me
Don't be scared there's no such thing as fear
When you sleep just know that

A Db Gbm7
I'm here for you still
And even if you don't think that I'm here
I'll still be right next to you my dear

A Db Gbm7
And the way you make me feel
Has the power to make the whole world stand still
Who's to say that our love ain't real
