d4vd - Worthless

It's taking a minute for me to adjust, wait tom: Em It's taking a minute for me to give up, hey Em C Fm С Am Am I just left the party with a girl that said she doesn't want It's been easier to forget and shut up, woah Em me All that's left in my pocket's a couple of bucks, hey С Am Em I feel out of body the way the world keeps wishing death upon C Am All I had is gone (All I had is gone) me Em Am Em Take it away, feel it now (Ooh) So what am I waiting on? (What am I waiting on?) С Am Em C Am Em Red all in the face, don't calm me down Somebody put me to sleep, I'm done, done, done Em Em Am С Am 'Cause every time the sun comes up I start feeling worthless C Am Em 'Cause every time the sun comes up I start feeling worthless C Am Em It's easier said than done, I'm trying to find my purpose It's easier said than done, I'm trying to find my purpose С Am Em С Am Em I should've ran away by now I should've ran away by now Am Em С С Am Em But I can't escape this town But I can't escape this town С Am Acordes
