

daBossa - Lábia

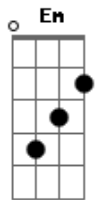

tom:
 Eu tô sem din, sozin
 Tomando um gin, a fim
 E se quiser meu bem
 É só sorrir pra mim

Não tenho lata, mas tenho lábia
 Não tenho papas e nem medo de falar
 Não tenho prata, nem sou da nata
 Mas acredito, o jogo vai virar

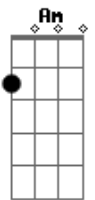

Não tenho metas nem tenho planos
 E os meus enganos vão me ensinar
 Não tenho nada, mas tenho tudo
 Chego de miúdo pra me levantar
 Chego de miúdo pra me levantar

Eu tô sem din, sozin
 Tomando um gin, a fim
 E se quiser meu bem
 É só sorrir pra mim
