

Daft Punk - Fragments Of Time

tom:

A

Bm

Driving this road down to paradise

Letting the sun light into my eyes

A

Our only plan is to improvise

And it's crystal clear

That I don't ever want it to end

Bm

If I had my way I would never leave

Keep building these random memories

A

Turning our days into melodies

But since I can't stay

Bm

I'll just keep playing back. These fragments of time

A

Everywhere I go. These moments will shine

Bm

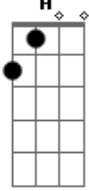

I'll just keep playing back. These fragments of time

A

Everywhere I go. These moments will shine

Familiar faces I've never seen

Living the gold and the silver dream

Making me feel like I'm seventeen

And it's crystal clear

That I don't ever want it to end

If I had my way I would never leave

Keep building these random memories

Turning our days into melodies

But since I can't stay
