                                                                And our cups to the stars
                                                                Repete o Refrão:
                                                                  She's up all night 'til the sun
                                                                  I'm up all night to get some
Intro: Bm D Gbm E (2x)
Primeira Parte:
                                                                  She's up all night for good fun
                         Rm
Like the legend of the phoenix, ha
                                                                  I'm up all night to get lucky
                Ghm
All ends with beginnings
                                                                  We're up all night 'til the sun
What keeps the planet spinning, ah-ah
                                                                  We're up all night to get some
The force from the beginning, look
                                                                  We're up all night for good fun
Segunda Parte:
                                                                  We're up all night to get lucky
 Rm
We've come too far
                                                                  We're up all night to get lucky
       Gbm
To give up who we are
                                                                  We're up all night to get lucky
                                                                  We're up all night to get lucky
So let's raise the bar
        Gbm
And our cups to the stars
                                                                  We're up all night to get lucky
