

Daft Punk - Instant Crush

Tom: C
Intro: F Dm Am G F Dm

Am
I didn't want to be the one to forget
G
I thought of everything I'd never regret
F
A little time with you is all that I get
Dm
That's all we need because it's all we can take
Am
One thing I never see the same when you're 'round
G
I don't believe in him, his lips on the ground.
F
I want to take you to that place in the Roche
Dm
But no one gives us any time anymore
Am
He asked me once if I'd look in on his dog
G
You made an offer for it, then you ran off
F
I got a picture of us kids in my head
Dm
And all I hear is the last thing that you said:
Am
"I listened to your problems, now listen to mine"
G
I didn't want to anymore

Am G F
And we will never be alone again
Em Dm
Cause it doesn't happen everyday
Am G
Kinda counted on you being a friend
Em Am
Can I give it up or give it away
G F
Now I thought about what I wanna say
Em Dm
But I never really know where to go
Am G
So I chained myself to a friend
Em Am
'Cause I know it unlocks like a door
G F
And we will never be alone again
Em Dm
Cause it doesn't happen everyday
Am G
Kinda counted on you being a friend
Em Am
Can I give it up or give it away
F
Now I thought about what I wanna say
Dm
But I never really know where to go
G
So I chained myself to a friend

F Dm
Some more again

Am
It didn't matter what they wanted to see
G
You thought he saw someone that looked just like me
F
The summer memory that just never dies
Dm
We worked too long and hard to give it no time
Am
He sees right through me, it's so easy with lies
G
Cracks in the road that I would try and disguise
F
He runs the scissor at the seam in the wall

Dm
He cannot break it down or else he would fall
Am
1000 lonely stars
G
Hiding in the cold
F Dm
Take it, oh I don't wanna sing anymore
(Am G F Dm)
