

Dagor Sorhdeam - Algor Mortis

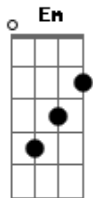

tom:
Dm
All of my faith is
Em C Am Bb Em C Am Bb
Falling down into a white damnation
Em C Am Bb
Winds bring carnage
Em C Am Bb Em C Am Bb
Leaving my last hope to the young, who can fight
Em C Am Bb
Pain and screams in the dark
Em
Even I freeze to the death in this trench
D
My beliefs will be proven and respect in time
Em
I need to face the result of my acts, making
D

Peace with Creator before my last breath
Em
Missing moments of welfare with my beloved
D
Moving the force through the mist of a Baltic morning
Em
I can't stand all this grief anymore
D
But I fight, to give you a journey to live
C B
Nothing can knock you down!
Em C G D
In agony, remember my friend
Em C G D
Rise again and fall no more
Em C G D
By now we are defending Berlin
Em C G D
In this land, far from home
