

Dalva de Oliveira - Máscara negra

Tom: A

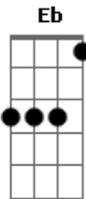

Tanto riso, oh
 Quanta alegria
 Mais de mil palhaços no salão
 Arlequim está chorando pelo amor da Colombina
 No meio da multidão
 Foi bom te ver outra vez
 Tá fazendo um ano
 Foi no carnaval que passou

Eu sou aquele Pierrô
 Que te abraçou
 Que te beijou, meu amor
 A mesma máscara negra
 Que esconde seu rosto
 Eu quero matar a saudade
 Vou beijar-te agora
 Não me leve a mal
 Hoje é carnaval
