

# Dalva de Oliveira - Porta Estandarte

tom:

Am

Olha que a vida tão é linda e se perde em tristezas assim  
 Desce o teu rancho cantando essa tua esperança sem fim  
 Deixa que a tua certeza se faça do povo a canção  
 Pra que teu povo cantando teu canto não seja em vão  
 Eu vou levando a minha vida, enfim

Cantando e canto sim

E não cantava se não fosse assim  
 Levando pra quem me ouvir  
 Certezas e esperanças pra trocar  
 Por dores e tristezas que bem sei um dia ainda vão findar  
 Um dia que vem vindo e que eu vivo pra cantar  
 Na avenida girando estandarte na mão pra anunciar
