

# Damiano David - Perfect Life

tom:  
G

Did you, did you, did you waste your time?  
Or did I just give you all of mine  
I thought I could fit into your perfect life  
I see it when I look into your eyes  
You were just waiting to escape because I  
Was just another sacrifice  
For your perfect little life

[Pós-Refrão]

I guess there's just no space for me  
In your perfect life

[Segunda Parte]

So tell the lie  
I listen to it every time  
You say your better for me  
'Cause you're someone I know  
But paradise  
It never really satisfies  
And the constant battle  
It's there all the time

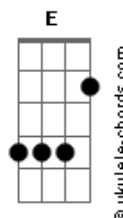

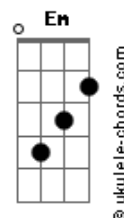

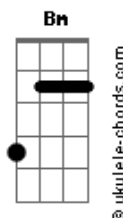

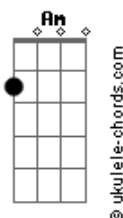

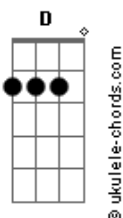

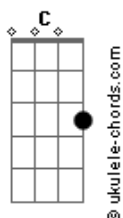

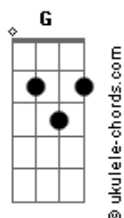

[Pré-Refrão]

I guess there's just no space for me  
I guess there's just no place to be

[Refrão]

Did you, did you, did you waste your time?  
Or did I just give you all of mine  
I thought I could fit into your perfect life  
I see it when I look into your eyes  
You were just waiting to escape because I  
Was just another sacrifice  
For your perfect little life

## Acordes

[Pós-Refrão]

I guess there's just no space for me  
In your perfect life

[Ponte]

In your perfect life  
I got lost, I got lost  
And then you found me when I was nothing  
And I was caved in, traded in  
Everything I ever was (In your perfect life)  
I got lost (I got lost), i got lost  
And then you turned me into something  
And now I see, through your eyes  
That I deserve someone better  
You'll never be satisfied  
With all the broken pieces  
You called your perfect life  
I used to be part of it  
And now I realize  
That I'm the broken pieces  
You called your perfect life

[Refrão]

Did you, did you, did you waste your time?  
Or did I just give you all of mine  
I thought I could fit into your perfect life  
I see it when I look into your eyes  
You were just waiting to escape because I  
Was just another sacrifice  
For your perfect little life

[Post-Refrão]

I guess there's just no space for me  
Yeah, I guess there's just no place to be  
In your perfect life
