

Damiano David - The First Time

tom:
A (forma dos acordes no tom de G)
Capostrate na 2ª casa

I thought my heart had felt it all
I swam for miles across the ocean
Never met the shore
My eyes were closed
My highs were lows
Just gettin' drunk on pills and potions
Cravin' something more

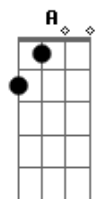

Traveled the world, but it got me nowhere
Nothing could ever compare

A kiss, a touch, a song that made me cry
And all the drugs I've done, they never got me higher
Than the first time we met
There's nothing like the first time we met
I crashed my car, oh, baby, I was flyin'
And I talked to God, He couldn't get me higher
Than the first time we met
There's nothing like the first time
The first time we met

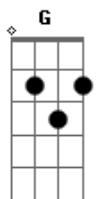

That night, the stars aligned
Heaven dropped a line
Before you, I was just a flare in the sky
A kid too afraid to go to play in the light
A colorless painter, a man with no sight
Before you, I was nothing
Was nothing, had nothing

I only had

The first time we met
(Am G C)
You set the room on fire
You take the angels higher
I heard a thousand choirs
Oh, baby, you ain't seen nothing yet
Traveled the world but it got me nowhere
Nothing could ever compare
A kiss, a touch, a song that made me cry
And all the drugs I've done, they never got me higher
Than the first time we met
There's nothing like the first time we met
