

Damien Rice - Elephant

Tom: E

This has got to die, this has got to stop
 This has got to lie down, with someone else on top
 You can keep me pinned, it's easier to tease
 But you can't paint an elephant quite as good as she

And she may cry like a baby And she may drive me crazy
 Cause I am lately Lonely

So why'd you have to lie? I take it I'm your crotch
 The pillow in your pillow case is easier to touch
 And then you think you've sinned, as you fall upon your knees
 Living in your picture, still forget the breeze

And she may rise if I sing you down

And she may wisely cling to the ground
 Cause I am lately horny
 So why would she take me horny?

What's the point of this song? Or even singing?
 You've already gone, why am I clinging?
 Well I could throw it out, and I could live without
 And I could do it all for you I could be strong
 Tell me if you want me to lie

'Cause this has got to die, this has got to stop
 This has got to lie down, down with someone else on top
 You can both keep me pinned, 'cause it's easier to tease
 But you can't make me happy quite as good as me
 Well you know that's a lie
