Intro: Observação:

Damien coloca hammer on e pull offs em várias partes da música. A única vez que ele tocou essa música foi ao vivo (eu acho) então é ótimo porque você pode improvisar onde quiser. Porém, não exagere, pois essa música é delicada e elegante e não precisa de algo selvagem ou agressivo. Eu sei disso por que aprendi com aulas no YouTube Divirta-se :)

Letra:

Verso

G Em
I heard there was a secret chord
G Em
That david played and it pleased the lord
C D G D
But you don't really care for music, do you
G C D
Well it goes like this the fourth, the fifth
Em C
The minor fall and the major lift
D B B Em
The baffled king composing hallelujah

Refrão

C Em C G D G D
Hallelujah, hallelujah, hallelujah, hallelujah

Verso

Well your faith was strong but you needed proof

You saw her bathing on the roof

Her beauty and the moonlight overthrew you

She tied you to her kitchen chair

She broke your throne and she cut your hair

And from your lips she drew the hallelujah

Refrão

Hallelujah, hallelujah, hallelujah, hallelujah

Verso

Baby i've been here before
I've seen this room and i've walked this floor

D I used to live alone before i knew you

I've seen your flag on the marble arch

But love is not a victory march

It's a cold and it's a broken hallelujah

Refrão

Hallelujah, hallelujah, hallelujah, hallelujah

Verso

Well there was a time when you let me know

What's really going on below

But now you never show that to me do you

But remember when i moved in you

And the holy dove was moving too

And every breath we drew was hallelujah

Refrão

Hallelujah, hallelujah, hallelujah, hallelujah

Verso

Well, maybe there's a god above

But all i've ever learned from love

Was how to shoot somebody who outdrew you

It's not a cry that you hear at night

It's not somebody who's seen the light

It's a cold and it's a broken hallelujah

Refrão

Hallelujah, hallelujah, hallelujah, hallelujah
