Damien Rice - Rootless Tree
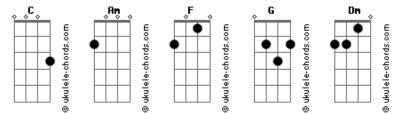

```
Tom: C
Intro: Am  F  C  G  (x2)

      Am        F       C          G
What I want from you is empty your head
     Am      F       C            G
They say: "be true, don't stain your bed"
Am  F          C          G
We do what we need to be free
        Dm                F        G
And it leans on me like a rootless tree
      Am       F        C         G
What I want from us is empty our minds
    Am        F         C         G
We fake the farce, and fracture the times
Am      F              C        G
We go blind when we've needed to see
      Dm                    F    G
And this leans on me, like a rootless...

Am          F       C           G
Fuck you, fuck you, fuck you, and all we've been through
        Am       F        C             G
I said leave it, leave it, leave it, there's nothing in you
             Am       F       C          G
And did you hate me, hate me, hate me, then hate me so good
              Am         F        C
That you can let me out, let me out, let me out
```

```
                         G
Of this hell when you're around
  Am          F           C
Let me out, let me out, let me out
G
Hell when you're around
  Am          F           C        G
Let me out, let me out, let me o__ut

          Am       F         C          G
What I want from this is learn to let go
        Am       F         C          G
I know not of you, of all that's been told
Am  F          C          G
Killers re-invent and believe
              Dm                 F    G
And this leans on me, like a rootless...

Of this hell when you're around
Let me out, let me out, let me out
Hell when you're around
Let me out, let me out, let me out
Hell when you're around
Let me out, (repete 11 vezes)

Let me out, (repete 11 vezes)
Let me out, let me out, let me out
Hell when you're around
