

# Damien Rice - Stoic

Tom: C

Don't know how to feel

Don't know how to fuck

Something has me stoic

Something has me caught

I don't know how to comfort you

Don't know how to comfort me

Don't know if I'm all right

Don't know if I'm all wrong

Don't know if I'm lost in this

Wanting to be lost

I don't know how to comfort you

I don't know how to comfort you

But I know

I know

I know

I have to go

But I know

I know

I know

I have to go

I don't want to fight

Here it comes again

Something has me furious

I cannot pretend

And I don't know how to comfort you

I don't know how to comfort me

I don't know where I'm coming to

Cause I don't know where I want to be

But I know

I know

I know

I have to go

I know

I know

(humming)

I have to go

Just because I said I'd stay

It doesn't mean I will not change

Just because I wanted you

Doesn't mean I'm able to

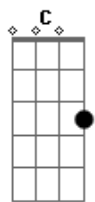

How can I be for you

All that you want me to

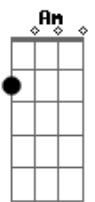

How can you be for me

Something you can not be
