

# Damn Yankees - High Enough

Tom: **D**

**A**  
I don't wanna hear about it anymore.  
**Gbm**  
It's a shame I've got to live without you, anymore.  
**E**  
There's a fire in my heart, a pounding in my brain  
**D**  
driving me crazy.  
**A**  
We don't need to talk about it anymore.  
**Gbm**  
Yesterday's just a memory, can we close the door.  
**E**  
I just made one mistake, I didn't know what to say  
**D**  
when you called me baby.  
**F G F Am**  
Don't say goodnight, say you're gonna stay forever.  
**F G Am**  
Whoa all the way.

[Chorus]

**D A Bm**  
Can you take me high enough,  
**Em G A**  
to fly me over (fly me over) yesterday.  
**D A Bm Em**  
Can you take me high enough, it's never over  
**G**  
and yesterday's just a memory (just a memory).
