Tom: D

I Can Dream About You

<sup>G</sup> No more <sup>A</sup> timing <sup>G</sup> each <sup>A</sup> tear <sup>G</sup> that falls from my <sup>A</sup> eyes  
<sup>G</sup> I'm not <sup>A</sup> hiding <sup>G</sup> the <sup>A</sup> remedy to cure this old heart of mine

Refrão:

<sup>D</sup> I can <sup>A</sup> dream <sup>G</sup> about you  
<sup>D</sup> If I can't <sup>A</sup> hold <sup>G</sup> you tonight  
<sup>D</sup> I can <sup>A</sup> dream <sup>G</sup> about you  
<sup>D</sup> You know <sup>A</sup> how to <sup>G</sup> hold me just right

<sup>D</sup> I can <sup>A</sup> dream <sup>G</sup> about you  
<sup>D</sup> If I can't <sup>A</sup> hold <sup>G</sup> you tonight  
<sup>D</sup> I can <sup>A</sup> dream <sup>G</sup> about you  
<sup>D</sup> You know <sup>A</sup> how to <sup>G</sup> hold me just right

<sup>G</sup> Moving <sup>A</sup> sidewalks, <sup>G</sup> I don't see <sup>A</sup> under my feet  
<sup>G</sup> Climbing <sup>A</sup> up from down here below where the street sees  
<sup>G</sup> me lonely for you.
