Dan Mangan - About As Helpful As You Can Be Without Being Any Help At All

```
                              tom:
                 C
Intro: C  F  G  Am  F  G

C                      F  G        Am
Both feet together Slowly progressing
F         G     C                    F  G
Always in time Don't count the feathers
G             Am    F            G
Just count the wings Everyday counting
C                    F  G          Am
Everything's changing I almost forgot it
       F         G
But then I remembered

( C  F  G  Am  F  G )

       C           F     G        Am
I was thrown in the boat  Cast out to sea
F            G             C          F
Friendly with waves  There were sharks below
G          Am      F           G
Hungry for me  So I dangled my leg
```

```
( C  F  G  Am  F  G )

        C         F           G     Am
I lit up like a match  Because i bled gasoline
              F        G            C        F
Made a torch of myself   Until the moon was mine
G            Am         F        G    C
Stars made of me  How I lit up that sky

(break with no guitar till the bass riff then back into)

( C  F  G  Am  F  G )
( C  F  G  Am  F  G )

C           F       G      Am
Both feet together   Slowly progressing
F         G    C                    F
Always in time  Don't count the feathers
G             Am     F            G
Just count the wings   Everyday counting
C                    F        G      Am
Everything's changing  I almost forgot it
F        G           C
But then I remembered
```
