Gbm
Before it ends well we

Should try to start

[Refrão]

A
So I'll go
B7 E
But I'm telling you I don't

Page 1/3

A
Want to go
A B7
I could be stuck here and happy

E
There's a puzzle I
Work on endlessly
And I've got all the sides and all the corners

Gbm
But there's a space

E
Oh there's a space

Gbm
Lost some pieces I

E
Can't replace

[Refrão]

A
So I'll be
B7 E
But I'm telling you I don't

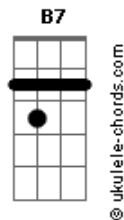

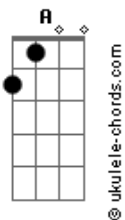

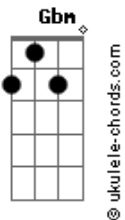

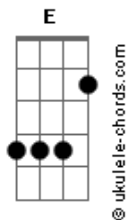

A
Want to be

A B7
Just a wasted puzzle piece

E
We are old and our son
Took the dog away
And fair enough guess we're

Gbm
Tired all the time

Acordes

E
All the time
Gbm
And you know dogs they need
E
Ample time outside

[Refrão]

A
So I'll stay
B7 E
But I'm telling you I don't
A
Want to stay

A B7
So I'll brace myself against the wall

E A
And hope to God that I don't fall

A B7
My bones are worn my hip won't hold

E
I used to be so young

A
How did I get so old

A B7
Won't you take my cane and hold my hand

E A
You're holding on to all I have

A B7
Just a basket full of memories

E A
And I am losing more each day it seems

A B7
But if I can make it to the street

E
I'll steal a car or a bike

A
Whatever there is to steal

A B7
And it might get cold I just don't care

E A
I'm going till I'm getting there

A B7
I'll ride my steed all through this town

Till I

E
Have looked

A
Till I have found

A B7
Your peaceful memory

A B7
Won't you return to me

A B7
Won't you return to me
