When the world seems bleak and cold Bm Bm

When your bones feel tired and old G D A Bm Bm

When wind is howling through the trees

There's a shelter from the storm Bm Bm

There's a fire burning warm G D A Bm

You'll find it if you follow me

Oh, the bliss A D

Oh, the bliss G Bm

Oh, the bliss A D

Oh, the bliss will set you free G Bm A D

Oh, the bliss is gonna make you see

When the world seems grim and dark Bm Bm

When the sky won't show a star G D A Bm Bm

When fog is thicker than the sea

Travel through the blackest night Bm Bm

In the forest hides the light G D A Bm

You'll find it if you follow me

Oh, the bliss A D

Oh, the bliss G Bm

Oh, the bliss will set you free A D

Oh, the bliss is gonna make you see G Bm A D

When the world is torn by war Bm Bm

When the rain of bullets pours G D A Bm

When bombs fall like autumn leaves

There's a garden through the gate Bm Bm

Where the father keeps us safe G D A Bm

You'll find it if you follow me

And oh, the bliss A D

Oh, the bliss G Bm

Oh, the bliss will set you free A D

Oh, the bliss is gonna make you see G Bm A D

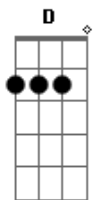

Oh, the bliss D G Bm

Oh, the bliss A D
