

Dan + Shay - How Not To

Tom: G

G A Bm
I can honestly understand why it's over
G A Bm
I can go through the motions of walking away
G A Bm
I can give you the key and take my things back
G A D
I can find plenty things to fill my days
G Bm
But I don't know how not to think about you
A
When it's late at night and quiet
G Bm A
And I know that I ought to be the one who is strong and just
moves on
G Bm
But I probably turn down your road, knock knock on your door
A
Fall back in your arms, wake up in the morning
G Bm
A
Hating myself for the way that I can't help the way I still
want you
G Bm A
I just don't know how not to, how not to, how not to
G A Bm
You're like second nature baby, you're just like breathin'
G A Bm
A melody that you hear and you can't forget
G A Bm
The time goes by and I still need you
G A D

Yeah, you were at the heartbreak of no regret

G Bm
But I don't know how not to think about you
A
When it's late at night and quiet
G Bm A
And I know that I ought to be the one who is strong and just
moves on
G Bm
But I probably turn down your road, knock knock on your door
A
Fall back in your arms, wake up in the morning
G Bm
A
Hating myself for the way that I can't help the way I still
want you
G Bm A
I just don't know how not to, how not to, how not to
G Bm
I don't know how not to think about you
A
When it's late at night and quiet
G Bm A
But I know that I ought to be the one who's strong and just
moves on
G Bm
But I probably turn down your road, knock knock on your door
A
Fall back in your arms, wake up in the morning
G Bm A
Hating myself for the way that I can't help the way I still
want you
G Bm A
I just don't know how not to, how not to, how not to
