## Dan + Shay - What You Do To Me

Tom: G Oh yea, gotta get this right, follow all the rules and be back bv nine G Fm I drive away from your house, chasin' butterflies out Pulled up to drop you off, leanin' in to sneak one more Said "Baby, when can I see you again? How 'bout every night Girl, I don't know how you do it Fm after this? I said "Girl, you're beautiful, 'n' you already know it D Fm I drive away from your house, chasin' butterflies out But I'll say it again and a million times after that" D You laugh and you shake your head and say "Boy, you're crazy" Girl, I don't know how you do it ſ D Fm Well, girl, if I'm crazy, I'm only crazy 'bout you Roll the radio down, say "I love you" out loud Man, I think I'm 'bout to lose it I was lookin' right into your eyes, right then, porch light Ain't my thing to jump the gun Flipped on and I saw your dad lookin' through the window D Hope he ain't mad But I called my dad and said "She's the one" Fm Then I helped you outta my truck, through the yard to your Said "Boy, better get that ring front door C if you really wanna change her name" Said "Girl, am I gonna see you again?" You answered me back D Fm with a kiss Like a merry-go-round, got my head spinnin' round and round and round D Fm G Fm I drive away from your house, chasin' butterflies out That's just what you do, do, do, do, do, do, do to me Girl, I don't know how you do it Fm п Roll the radio down, say "I love you" out loud Yea, that's just what you do, do, do, do, do to me G D Em C Yea, that's just what you do Man, I think I'm 'bout to lose it G Ain't my thing to jump the gun (GDEmC) But I called my dad and said "She's the one" G (Break) D Em I drive away from your house, chasin' butterflies out Said "Boy, better get that ring Girl, I don't know how you do it if you really wanna change her name" Fm Roll the radio down, say "I love you" out loud D Fm Like a merry-go-round, got my head spinnin' round and round Man, I think I'm 'bout to lose it and round G D Fm Ain't my thing to jump the gun That's just what you do, do, do, do, do, do, do to me D But I called my dad and said "She's the one" Fm I picked you up for our second date, you're sure lookin' Em Said "Boy, better get that ring pretty Sweet as an angel, here to save my soul If you really wanna change her name" D Fm D Like a merry-go-round, got my head spinnin' round and round Mmm, yea, you get me high, you take me to heaven and round And I get to shakin' when you put your lips on mine D Fm That's just what you do, do, do, do, do, do, do to me Fm It could be the best night of my life, least 'til next time G C -mute Yea, that's just what you do, do, do, do, do to me
