                                                                                                                                                                                                                                                                     How does it feel
Have it your way
                                                                                                                                                                                                                                                                      [Bridge]
And if you want you can decide
                                                                                                                                                                                                                                                                                         E D Bm7 E7
                              Am7
That if you'll have me
                                                                                                                                                                                                                                                                      Long time Said its been on my mind
I can provide everything that you desire
                                                                                                                                                                                                                                                                     Baby close the door
                                                                  Am7 G
Said if you get a feeling
                                                                                                                                                                                                                                                                     Listen girl I have something I wanna show you
                                                                                                                                                                                                                                                                     I wish you'd open up cause
Feeling that I am feeling
                                                         Am7 G
Won't you come closer to me baby
                                                                                                                                                                                                                                                                      I wanna take the walls down with you
                                                        B7 E7
You've already got me right where you want me baby
                                                                                                                                                                                                                                                                     [Solo]
I just wanna be your man
                                                                                                                                                                                                                                                                      Am7
                                                                                                                                                                                                                                                                                                   C D
                                                                                                                                                                                                                                                                     Am7
