

Daniel Ash - Walk This Way

Tom: **C**

D Am

She can dance
When she walks down the street,
Seems to float through the air
Like in a real good Dream
Dark brown Skin,
This angel blues just under six
feet tall now
and never Sings the Blues

Dm Am

got to go, got to get away
got to go go go go go
before its too late

D Am

Walked into my life
Around Quarter to Three
She ain't no angel you know
and It's getting to Me
with a Dirty Little Smile

and These Eyes of Blue
I'm telling you honey
This ain't no good for you

Dm Am

got to go, got to get away
got to go go go go go
before its too late

D Am

Now it's a Quarter to Six
and the Sun begins to Shine
you just Woke Yourself up
You start work at Nine
You told Yourself before **A** Million times
This ain't no good for you

Dm Am

got to go, got to get away
got to go go go go go
before its too late
