

Daniel Caesar - Cyanide

Intro: **F** **Bb** **Eb** **F** **Bb** **Eb** tom:

[Primeira Parte]

F
I love dominantly
Bb
You make me weak

Make me thirsty for release
Eb
Gwan come compliment me

Dem become an enemy
F
Cop a flight to Paris, lowkey
Bb
'Cause lil' baby girl I'm tryna breathe
Eb
Please baby try to understand me

I am not a monster, I'm just a man with needs
F
I take flights, when I learn it's time to go
Bb
Tryna take time by crossing timing zones
Eb
Come press your lips 'pon me

LSD got me feelin' empathy
F
Warfare out to mind chemically
Bb
'Cause we suffer endlessly
Eb
Could be Kamikaze, only time will tell

Even though I'm godly, might end up in Hell

[Refrão]

F **Bb**
Sweet melody, wind up your body 'pon mi
Eb
Your lovin' baby girl, you know mi need it, need it

Let me fight for it, me achieve it, 'chieve it

F **Bb**
Sweet melody, wind up your body 'pon mi
Eb
Your lovin' baby girl, you know mi need it, need it

Let me fight for it, me achieve it, 'chieve it

F
Feel my love drip over your skin
Bb
Rich dark chocolate, sweet melanin
Eb
Forevermore you gon' be my kin

Whatever jaw has binded, let no man enter in

Ooo oooo ooooo
(**F** **Bb** **Eb**)

[Segunda Parte]

F
Give me your love, it's unrequited
Bb
The thought of you gets me excited
Eb
I guess I'll come to your crib, uninvited

Offer you all your favorite vices

Girl I know you like it
F
Girl you can't do like, like me
Bb
You light up my life, you like, like me
Eb
Then it be good that's unlikely, likely

But drive you comin' down, yeah

Turn my life around, yeah

[Refrão]

F **Bb**
Sweet melody, wind up your body 'pon mi
Eb
Your lovin' baby girl, you know mi need it, need it

Let me fight for it, me achieve it, 'chieve it

F **Bb**
Sweet melody, wind up your body 'pon mi
Eb
Your lovin' baby girl, you know mi need it, need it

Let me fight for it, me achieve it, 'chieve it
F
Feel my love drip over your skin
Bb
Rich dark chocolate, sweet melanin
Eb
Forevermore you gon' be my kin

Whatever jaw has binded, let no man enter in

[Final] **F** **Bb** **Eb**
