

## **Daniel Caesar - Emily's Song**

tom: Why don't you answer my calls no more? Is it something that I've said? Tired of checkin' my telephone You're runnin' through my head We used to stay up for hours, many nights Am Fussin' and fightin', fuckin' and lyin' Em7 Nights in Miami, tears at the GRAMMYs Just wanna thank you For being my mirror Em7 Showing me myself I just wanna thank you You help me see clearer

Like nobody else

G B7

Now that the feelin' has floated away

Am Em7

And I got a bit of clarity

G B7

Addicts are addicts and we'll never change

Am Em7

But we were never scared to be

G B7

I'll get it all out my system, by God's grace

Am

I'll never regret you, it's Heaven that sent you

Em7

But I'll never go back, I hope that you know that

G B7

Just wanna thank you

Am

For being my mirror

Em7

Showing me myself

G B7

I just wanna thank you

You help me see clearer

Like nobody else

Em7
