

Daniel Caesar - Emily's Song

tom:
A

G B7
Why don't you answer my calls no more?
Am Em7
Is it something that I've said?
G B7
Tired of checkin' my telephone
Am Em7
You're runnin' through my head

G B7
We used to stay up for hours, many nights
Am
Fussin' and fightin', fuckin' and lyin'
Em7
Nights in Miami, tears at the GRAMMYS

G B7
Just wanna thank you
Am
For being my mirror
Em7
Showing me myself
G B7
I just wanna thank you
Am
You help me see clearer
Em7

Like nobody else

G B7
Now that the feelin' has floated away
Am Em7
And I got a bit of clarity
G B7
Addicts are addicts and we'll never change
Am Em7
But we were never scared to be

G B7
I'll get it all out my system, by God's grace
Am
I'll never regret you, it's Heaven that sent you
Em7
But I'll never go back, I hope that you know that

G B7
Just wanna thank you
Am
For being my mirror
Em7
Showing me myself
G B7
I just wanna thank you
Am
You help me see clearer
Em7
Like nobody else
