

Daniel Caesar - Emily's Song

tom:

A

G B7
Why don't you answer my calls no more?

Am Em
Is it something that I've said?

G B7
Tired of checkin' my telephone

Am Em
You're runnin' through my head

G B7
We used to stay up for hours, many nights

Am Em
Fussin' and fightin', fuckin' and lyin'

Em
Nights in Miami, tears at the GRAMMYs

G B7
Just wanna thank you

Am Em
For being my mirror

Em
Showing me myself

G B7
I just wanna thank you

Am Em
You help me see clearer

Like nobody else

G B7
Now that the feelin' has floated away

Am Em
And I got a bit of clarity

G B7
Addicts are addicts and we'll never change

Am Em
But we were never scared to be

G B7
I'll get it all out my system, by God's grace

Am Em
I'll never regret you, it's Heaven that sent you

Em
But I'll never go back, I hope that you know that

G B7
Just wanna thank you

Am Em
For being my mirror

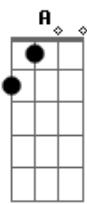

Em
Showing me myself

G B7
I just wanna thank you

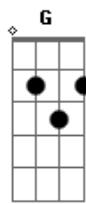

Am Em
You help me see clearer

Em
Like nobody else
