

# Daniel Caesar - Get You

Tom: **D**

**Em** **Gbm** **G**  
 through drought and famine, natural disasters  
**Em** **Em**  
 My baby has\_\_been around for me  
**Gbm** **G**  
 Kingdoms have fallen, angels be calling  
**Em** **Em**  
 None of that could ever make me\_\_leave  
**Gbm** **G** **Em**  
 Every time I look into your eyes I see it

**Em**  
 You're all I need  
**Gbm** **G** **Em**  
 Every time I get a bit inside I feel it

**Em** **Bm** **G-** **A**  
 Ooh, who would've thought I'd get you  
**Em** **Bm** **G-** **A**  
 Ooh, who would've thought I'd get you

**Em** **Gbm**  
 And when we're making love  
**G** **Em** **Em**  
 Your cries they can be heard from far and wide  
**Gbm**

It's only the two of us  
**G** **Em** **Em**  
 Everything I need's between those\_\_thighs  
**Gbm** **G** **Em**  
 Every time I look into your eyes I see it  
**Em**

You're all I need  
**Gbm** **G** **Em**  
 Every time I get a bit inside I feel it

**Em** **Bm** **G-** **A**  
 Ooh, who would've thought I'd get you  
**Em** **Bm** **G-** **A**  
 Ooh, who would've thought I'd get you

**Em** **Gbm**  
 And I'll take some time  
**G**  
 Just to be thankful  
**Em** **Em**  
 That I had days full of you, you  
**Gbm**  
 Before it winds down into  
**G** **G-**  
 The memories, it's all just memories

**Em** **Gbm** **G**  
 Don't you love when I come around  
**G-**  
 Bill you up then I take you down  
**Em** **Gbm** **G**  
 Don't you love when I come around  
**G-**  
 Build you up then I take

**Em** **Bm** **G-** **A**  
 Ooh, who would've thought I'd get you  
**Em** **Bm** **G-** **A**  
 Ooh, who would've thought I'd get you
